

Our experience

Strategic Consulting for International Markets

Mr. Stefano Scuratti matures an experience of six years in the United States obtaining a degree in Finance, a Master in Business Administration and gathering professional experience with a major banking group in the city of New York.

Once in Italy, he acquires solid work experience with major industrial groups in the field of Mechanics, following power generation projects internationally.

For several years directly following the activities of International Marketing and Institutional Relations, he consolidates an ongoing dialogue with the European Parliament, the Ministry of Foreign Affairs and the Ministry of Economic Development. Such level of experience has allowed him to grow in direct contact with the Italian Embassies for the promotion of corporate interests abroad.

Subsequently, he has been called to become part of the Economics Group for the National Federation of Consuls, FE.N.CO., federation for diplomatic representatives located in Italy.

Galileo Business Consulting deals with Management Consulting with a focus on International Markets and Public Affairs. Our clients are private Companies and Industry Associations willing to utilize the support of the Italian Institutions to grow internationally, especially in Northern and Central-East Europe. Our sectoral specialization is Mechanics and Mr. Scuratti is responsible for the development of foreign markets for the Italian Association of Automation and Mechatronics, AldAM.

Our vision is to develop multi-year partnerships designed to promote international trades and institutional relations and serve the growing needs of our Customers.
